Building Champions

The High Point University Panther Club is proud of the champion student-athletes and coaches at High Point University. This year’s membership brochure highlights the accomplishments of six of these champions. Not only do they perform at the highest levels of athletic competition, but they also excel in the classroom, and make significant contributions to their school, their community and their world.

Take Wendy Williams, a senior on the women’s soccer team, who is an assistant on medical mission teams to the Dominican Republic. Or Issa Konaré, a senior chemistry major on the men’s basketball team, who speaks five (5) languages and participates in leadership clinics for grade school children. Because of your generous support, the Panther Club has been able to foster this type of leadership among High Point student-athletes and coaches.

Please take note that the Panther Club has implemented a point system to reward the loyalty and financial contributions of its members. The point system will be used to determine seat location in the Millis Center for men’s and women’s basketball games.

Also please review the benefits section of this brochure. You will notice that benefits have been added to encourage participation. Members at the Platinum and Gold levels will receive a Black Blazer and will be the first inductees into the Panther Club’s Black Blazer Club. A life membership opportunity is also available.

Thank you for supporting the Panther Club and champion student-athletes and coaches at High Point University.

Sincerely,

Jack Hamilton (Class of 1981)
Panther Club President
Peter Broadley
- High Point University Men's Soccer Coach

### Point System

In order to reward loyalty and support of High Point Athletics, a point system has been created. The point system will be used to assign men's and women's basketball seat location. Members with the highest number of points will have the first choice in selecting seats. Contributions must be received by September 1 to count toward your point total for the upcoming basketball season.

If you were a Panther Club member prior to 1999, joined the Panther Club in each year since 1999, and purchased season tickets each year, you cannot lose your seat location. If you choose to change seat locations you will be subjected to the same point structure as all other members.

Points are calculated on September 1 of each year.

All seats in the building are reserved seats except for the student section, the upstairs seating section and seats behind the visitor's bench.

Only Panther Club members can buy season tickets. Season tickets will be discounted from the "at the door" ticket price.

Married couples receive points for each spouse. For example, a couple who both went to HPU would receive 40 points.

[ ] My company will match my gift. (Please attach matching gift form.)
Company name __________________________

Important Dates

September 1 – Join by this date to have your contributions count for this year’s basketball seat location.

October 15 – Join by this date to be recognized in the game program.

December 31 – Join by this date to receive credit for this year’s membership campaign.

Matching Gifts
Many employers will match contributions that their employees make to educational organizations. Contact your employer’s human resource department for information about its matching gift program and to obtain the proper forms. Matching gifts may double the value of your Panther Club contribution.

Tax Information
The Panther Club will send an official gift letter at the end of the calendar year recognizing all contributions given during the year. Federal law requires that the amount of any deduction be reduced when tangible benefits are received. You are advised to consult a tax professional to ensure that you receive a proper deduction for your gift. In order to receive credit for this year’s campaign, membership applications must be received before December 31, 2005.
