High Point Athletics is on the move as a five-year-old NCAA Division I member with over 250 student-athletes and 16 varsity sports. The 2002-2003 season was filled with outstanding accomplishments on and off the field. High Point Athletics received national recognition from USA Today for having the highest graduation rate in the Big South, and fourth highest in North Carolina. The cumulative grade point average of student-athletes at High Point was a 3.09. A women’s golf program has been started. Perhaps the two most notable feats in competition were the men’s cross country team and the men’s tennis team winning the University’s first NCAA Division I Big South Conference Championships.

The Panther Club supports High Point’s 16 varsity sports. Over the last 4 years, the Panther Club has funded renovations to Albion Millis Soccer Field, Erath Baseball Field and the Millis Center gymnasium and basketball locker rooms; contributed to the University's athletic scholarship fund; and purchased championship rings for the men’s cross country and men’s tennis teams. The Panther Club is making a difference for High Point’s athletic programs and its student-athletes.

You can help the Panther Club and have a fun night on the town by participating in the 3rd Annual High Point University Panther Club Benefit Dinner and Auction. In its first two years, this event has generated over $45,000 for High Point Athletics. There are several ways to get involved:

1. Donate an item for the silent or live auction.
2. Purchase individual tickets or a table of eight (8) to the event.
3. Make a tax deductible cash donation.
4. Become a corporate sponsor of the event.
