High Point University Presents ...
A Benefit Golf Tournament and Gala for
The Jerry and Kitty Steele Sports Center

**JERRY AND KITTY STEELE AND THE SPORTS CENTER**

A $3 million Sports Center at High Point University that will be the new home for the department of athletics will bear the names of Jerry and Kitty Steele, who have teamed up for 51 years of successful coaching and teaching at the school. It will replace the current field house that was built in 1947 and is no longer adequate to meet the needs of the High Point Athletics. The University's Board of Trustees unanimously approved the building's name upon the enthusiastic recommendation of Jim and Jesse Millis who committed $1.5 million to the proposed facility.

During his final year of coaching after his 31st season as head coach of the men's basketball team, Jerry Steele ranked 7th among active coaches with 1,095 games coached overall and 12th among active coaches with 609 wins. Kitty Steele coached tennis and field hockey at High Point for 20 years, winning 12 conference championships and being named conference and district coach of the year 12 times before retiring in 1996.

During his first year at High Point, Jerry Steele coached Tubby Smith, the man who went on to become his most famous protégé. The head coach at Kentucky, where his Wildcats won the 1998 NCAA Championship and are a perennial powerhouse, Smith still calls Steele "my mentor."

"Coach Steele has done just about everything in basketball – playing in the ACC, coaching in the ABA, and winning over 600 games as a college coach," Smith said. "Obviously, he knows what he's talking about, but he also has a great sense of humor and doesn't take himself too seriously. The way he handles himself makes you want to work hard for him. His philosophy about life is close to mine."

Billy Packer, a former Wake Forest teammate, says, "Jerry was not only a great teammate but a person whom I have always admired for his character and integrity."

David Odom, head basketball coach at the University of South Carolina and former player under Steele at Guilford College says, "In every man's life and along life's journey, every man experiences a time and a person that greatly influences and even changes his life. Such was the case for me when as a student at Guilford College, I had the opportunity to play, learn, and become friends forever with Coach Steele. He coaches basketball but, more importantly, he taught invaluable lessons for life."

The Jerry and Kitty Steele Sports Center will be a two-story, 24,000-square-foot facility replacing the antiquated field house between the baseball and soccer stadiums. It will feature training and weight rooms, locker rooms, an indoor practice area for golf, an academic services room, and a hospitality / conference room. The center will also include space to display athletic achievements and awards as well as offices for athletics administrators and coaching staffs of all sports except men's and women's basketball and volleyball.
THE EVENT
On June 7, 2004 a special event has been scheduled to honor Jerry and Kitty Steele. The proceeds from this event will support the construction of the proposed Jerry and Kitty Steele Sport Center on the campus of High Point University.

You are invited to participate in a day of golf at Willow Creek Country Club, and dinner at SHOWPLACE, along side of Jerry and Kitty’s friends Tubby Smith, David Odom, Billy Packer, Gene Littles, and Sal Bando.
