Committed to Athletic Excellence

The student-athletes and coaches at High Point University have achieved phenomenal success on the courts and fields, in the classroom, and in the community. As you can see we have highlighted two student athletes and a coach on their commitment to athletic excellence.

Additionally, the average GPA of our student-athletes stands at 3.15, and 25 student-athletes maintain a perfect 4.0 GPA. Our athletic teams and coaches provided more than 1,575 hours of community service and are committed to excellence in athletics, academics, and local community.

The Panther Club supports this commitment to excellence by investing in these exceptional student-athletes. With your ongoing assistance, HPU’s student-athletes will continue to have the benefit of the best possible opportunities for success in the Big South Conference and Division I athletics.

Thank you for your support of the Panther Club and for your commitment to the exceptional athletes, coaches, and staff at High Point University.

Sincerely,

Molly Dickinson
Class of 1993
Panther Club President

WHAT IS THE PANTHER CLUB?

The Panther Club is High Point University’s athletic booster club. The Panther Club was established in 1965, and is charged with enhancing the financial viability of High Point’s athletic department, engaging individuals and businesses in a Division I athletic program, and supporting High Point University’s student-athletes and coaches. Donations made to the Panther Club have enhanced a variety of areas, especially scholarships and facility improvements.

The Panther Club is supported by individuals and businesses through the annual membership campaign and special events.

Your donation to the Panther Club directly impacts the student-athletes at High Point University, and helps to expand and strengthen the athletic program.

Point System

The point system will be used to assign your seat location for men's and women's basketball. Members with the highest number of points will have the first choice in selecting and purchasing seats. Contributions must be received by September 1 to count toward your point total for the upcoming basketball season.

If you were a Panther Club member prior to 1999, joined the Panther Club in each year since 1999, and purchased season tickets each year, you cannot lose your seat location. If you choose to change seat locations you will be subjected to the same point structure as all other members.

Points are calculated on September 1 of each year.

All seats in the building are reserved seats except for the student section, the upstairs seating section, and seats behind the visitor’s bench. Only Panther Club members can buy season tickets. Season tickets will be discounted from the “at the door” ticket price.

Married couples receive points for each spouse. For example, a couple who both attended HPU would receive 40 points.
